

JEFFERIES CLIENT CONSENT FORM

1. Consent to Execution of Orders Outside a Regulated Market or Multi Lateral Trading Facility

We consent to Jefferies International Limited executing transactions on our behalf outside a regulated market or multilateral trading facility.

yes no

2. Consent to Exercise of Discretion in Publication of Limit Orders

We hereby instruct Jefferies International Limited that, in relation to any limit orders we give in respect of shares admitted to trading on a regulated market within the EEA which are not immediately executed under prevailing market conditions, it should exercise its discretion as to whether it will make public such limit orders in order to facilitate the execution of such orders.

yes no

3. Consent to Order Execution Policy

We have received a summary of Jefferies International Limited's Order Execution Policy and confirm that we consent to orders being executed or transmitted for execution on our behalf in accordance with the said Order Execution Policy.

yes no

4. Consent to Communication via the Internet

We confirm that we have regular access to the internet and consent to the provision to us by Jefferies International Limited of information, including, without limitation, information about amendments to its order execution policy, information about the nature and risks of investments, and other information concerning its investment services by posting such information on its website at www.jefferies.com or such other website as Jefferies International Limited may from time to time notify to us.

yes no
